The St George’s Weybridge Assisted Places Scheme

The St George’s Weybridge Assisted Places Scheme is aimed at families who would not normally consider independent education or who are already benefitting from an equivalent scheme at their current school. The Scheme offers fee relief up to 100% for those applying for a place at the Junior School from Year 3 (age 7+), at the College at 11+ and where available at 13+ and 16+ entry. All children are required to reach the academic entry of St George’s.

Fees will be discounted up to 100% (including assistance with uniforms, use of the school buses, lunches and essential academic trips) according to financial circumstances. All applicants will be required to complete a financial disclosure form and provide supporting evidence. The level of fee discount will be dependent upon a calculation of net relevant earnings.

Examples are as follows:
Net relevant earnings*
• below £25,000 = 100% Assisted Place
• £25,000 to £35,000 = 50-75% Assisted Place
• £35,000 to £50,000 = 25-50% Assisted Place

* Net relevant earnings are calculated as net income from all sources plus an imputation of 5% of capital assets, minus essential household expenses. Assisted Places are reassessed each year for financial detail.

St George’s Junior School Assisted Places

A maximum of two places a year are available at the Junior School at Year 3 (7+) entry and these do carry on through to the College subject to the pupil gaining a place at 11+.

St George’s College Assisted Places

At the College, there are usually three places available at First Year entry (11+) with an additional two places at Third Year (13+) entry. Please enquire about availability at Sixth Form (16+) entry.

How to apply

If you would like to receive more details about the Assisted Place Scheme, please complete all the details on the attached form and return it to the Admissions Office.

On receipt of your reply form, you will be sent a Confidential Statement of Financial Circumstances Form to complete. Please return these documents to the Bursar’s Office.

On receiving your financial disclosure forms, the Bursar will assess the application for an Assisted Place and determine the level at which a place would be offered. You will then be sent details of the level of fee relief that would prevail, assuming your son/daughter was offered a place after satisfying the academic entry requirements, along with a Registration Form to complete and return should you decide to go ahead with your application.

St George’s Junior School Applications – Year 3 (aged 7+ onwards)

All children are assessed before they are offered a place at the Junior School. Your child will need to be registered prior to assessment. Registration Forms can be downloaded from the school website www.stgeorgesweybridge.com and can be found in the prospectus pack. The deadline for registration and Assisted Places applications is the 30th November each year.

St George’s College Applications

First Year – 11+ Entry

Those seeking 11+ entry will sit the College Entrance Exam in the January prior to September entry along with all applicants. The Headmaster will award all places on academic ability. Your child will need to be registered prior to taking the entrance examination in January. Registration Forms can be downloaded from the school website www.stgeorgesweybridge.com and can be found in the prospectus pack. The deadline for registration and Assisted Place applications is the 30th November.

If you would like to ascertain the level of fee relief prior to this, please return the financial disclosure documents by October 30th. All children must be registered prior to entry being taken up. If you have previously registered your son or daughter, please indicate this on the reply form.

Third Year (13+ Entry) and Sixth Form (16+ entry)

Subject to the availability of places and reaching the required academic standards there may be Assisted Places available at 13+ entry and 16+ entry.
